DESCRIPTION OF WORK _____

In the absence of any New Jersey Department of Environmental Protection (NJDEP) permits/approvals, I swear and certify the only marine construction submitted to Little Egg Harbor Township for approval is for the repair or replacement of existing marine construction.

This is to certify, pursuant to Little Egg Harbor Ordinance No. 02-047, Section 14-3.5, that the materials to be delivered to the project site for the construction of a bulkhead at the subject project site substantially conforms in all respects in size, quantity and quality to the permit requirements and plans for the bulkhead construction approved by the bulkhead engineer in accordance with the permit referenced herein.

Any violation of the Little Egg Harbor Ordinance No.: 02-047, Section 14-3.5 and any amendments, may subject permittee to penalties as set forth in said Ordinance.
