Approval of September minutes.

Water front property 23 S. Burgee Dr. discussion and approved. Blaise suggested if the committee had any questions they should be forwarded to Erica before the meeting so she can forward to the Township Engineer Jason Worth.

NJ logowear gave a quote for tablecloth and tee shirts, \$150 for the design of logo and \$140 to put it on a tablecloth. Erica will contact everyone for tee shirt sizes.

At further Township Meetings we should have a representative from our group there. Maybe we can rotate taking turns. Township Meetings are every month on the 2nd Thursday. Colleen will go to the next meeting and report on the Fall Festival and how well it went.

There will be no Environmental Meeting for November and December due to the holidays.

Reorganization Meeting for the Township is January 1, 2021 at 12:00 noon.

Radio Road crash survey will be on zoom at 9:30 a.m. November 3rd.

Colleen gave an update from the Fall Festival. It was very successful. A lot of people attended and there was a lot of discussion with people regarding recycling. Winners were picked from the candy jar guesses.

Roberta reported that 150 registered and 50 plus from Osborne Island who took the Girl Scouts. Next year we will have better reminders and will watch for any events going on in our area that weekend. Next year we should have music and drawings to attract everyone to come back to the Community Center. We also need to get businesses, families, Boy Scouts and Girls Scouts involved and maybe they can adopt an area or street. First weekend in October will good for next year.

Welcome bags put on hold.

Public Comments opened and closed.

Final Comments:

Roberta presented a picture done by her daughter for coloring pages and books for the next event. We can get crayons donated from TD Bank.

Carol and Chuck to do Earth Day Program for 3 grade school children to teach them about the cleanup and recycling. January order trees from NJ Forestry.

Joe Rullo spoke about the garbage at Mystic Casino. He spoke to them about the condition of the property and 1 week later it was cleaned up. He also commented about Travistock was cleaning up.

Meeting Adjourned 8:02 Motion to reopen to the public 8:03

Miles Brueckner from Hatteras Ct. off Great Bay Blvd. came to discuss the area's flooding problem. Storm drains, quality of life issues with elderly people walking through thigh deep water. Oil slick. This occurs often causing damage to cars. Road is crumpling. Blaise stated this is the first time he has heard of this issue in that area except of one issue from a woman about the bulkhead at the end of the lagoon. He will speak to Jason because there is a new check valve they can use.

Meeting adjourned 8:17
