AN ORDINANCE OF THE TOWNSHIP OF LITTLE EGG HARBOR, COUNTY OF OCEAN, STATE OF NEW JERSEY, CREATING CHAPTER 15, ENTITLED “LAND USE DEVELOPMENT” OF THE TOWNSHIP CODE OF THE TOWNSHIP OF LITTLE EGG HARBOR, SO AS TO CREATE SECTION 15-8.17, ENTITLED “PORTABLE BUILDINGS”

BE IT ORDAINED, by the governing body of the Township of Little Egg Harbor, County of Ocean, State of New Jersey, as follows:

SECTION 1. The Township Code of the Township of Little Egg Harbor is hereby created and supplemented so as to create Chapter 15 entitled “Land Use Development” so as to create §15-8.17 entitled “Portable buildings”, which shall read as follows:

§15-8.17 Portable buildings

A. Definitions. The following definitions shall apply to this section:

PORTABLE STORAGE STRUCTURE - A trailer, portable temporary container, or portable structure with or without axles and wheels used for storage activity at a site.

B. Location. Portable storage structures are permitted as set forth herein.

C. Permit required; application; fee. Before a portable storage container or construction trailer is placed on any property, the owner, tenant or contractor working on the subject property must submit an application for a development permit approving such placement from the Zoning Officer. If the permit application is made by a tenant or contractor, written permission of the owner of the subject property for the placement of such trailer or structure on the subject property must be provided to the Zoning Officer before a permit is issued. Permits shall be issued for a time period of 60 days. The fee for the permit shall be \$50.

D. Number of portable storage structures. Only two portable storage structures may be placed at any residential property at one time. Commercial properties may have as many portable storage structures as the bulk requirements of the Zoning Code will permit.

E. Size of portable storage container. A portable storage container may not exceed 10 feet in height, eight feet in width or 20 feet in length.

F. Placement and condition. Portable storage containers are prohibited from being placed in streets, public rights-of-way, or on unimproved surfaces in the front yard of a property and may

only be placed upon driveways, side and rear yards if such locations meet the requirements of this section. All such locations must be paved, off-street surfaces at the farthest accessible point from the street, and all must comply with the applicable minimum yard accessory structure setback requirements for any accessory structures in the zone in which such portable storage container is located. If the property does not have a driveway, or cannot meet the standards described herein, the Zoning Officer may, as part of the permit approval process, approve the placement of a container in the front yard. If such portable storage container is to be permitted to be located in the front yard, it must be kept at the farthest accessible point from the street, and the surrounding area must be maintained in a weed-free condition. Wherever portable storage containers may be placed, they shall be subject to all property maintenance standards applicable to accessory structures. No portable storage container shall be allowed to remain outside in a state of disassembly or disrepair.

G. Violations and penalties.

- (1) Any portable storage structure or construction trailer placed in violation of this section or which is not removed at the end of the time for which it may lawfully remain in place, or immediately upon the direction of the Code Enforcement Officer, Zoning Officer or a law enforcement officer for removal of such temporary structure for safety reasons, shall be punishable, upon conviction thereof, by a fine not to exceed \$2,000 for each violation committed hereunder.
- (2) The owner of the subject property shall be afforded a fifteen-day period to cure or abate such violation. Every day that a violation continues after service of written notice by certified and/or regular mail on the owner of the subject property as shown in the latest tax duplicate shall be deemed a separate offense. The court may also order the removal of the violation by the Township, and the cost of such removal, together with the cost of administration of its removal, may be assessed against the property on which the temporary storage structure was located and upon approval by the Superior Court, may be filed as a lien against such property by the Township Clerk.

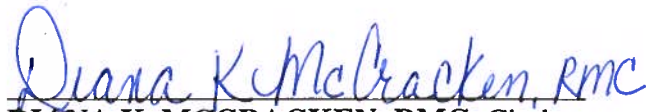

SECTION 2. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

SECTION 3. If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions hereof.

SECTION 4. This ordinance shall take effect after second reading and publication as required by law.
