

Celebrate “Communities of Strength” 2021 Ocean County Senior Services Virtual Art Exposition

In tough times, communities find strength in people- and people find strength in their communities. In the past year, we’ve seen this time and time again in Ocean County as friends, neighbors, and businesses have found new ways to support each other.

In our community, older adults are a key source of this strength. Through their experiences, successes, and difficulties, they have built resilience that helps them to face new challenges.

Each May, The Administration for Community Living leads the celebration of Older American’s Month (OAM). This year the theme is Communities of Strength, recognizing the important role older adults play in fostering the connection and engagement that build strong, resilient communities.

Now is your opportunity to show Ocean County Senior Services what strength in your community means to you. Create your artwork, whether it may be a photo, a painting, a poem, or a short story to show how you find strength in the community. Submit a picture of your artwork to be displayed on our Facebook page “The Gallery.”

Eligibility:

1. Artist must be 60 years of age or older.
2. Artist must be a resident of Ocean County.
