G. HOURLY RATES / COSTS

BRS typically completes grant writing on a lump sum/grant basis. Costs are dependent upon many factors, including the anticipated level of effort, the complexity of the grant requirements, data collection, and the timeline for completion. Therefore, we feel it is advantageous to Little Egg Harbor Township if pricing for grant preparation is provided on a case-by-case, lump sum basis. Prior to initiating the preparation of a grant application, BRS and Little Egg Harbor Township will review the requirements of the grant, and agree upon the appropriate level of effort and cost structure associated with the grant.

In the event of the award of any given grant, BRS can also provide technical assistance for completion of the subsequent cooperative agreement and/or grant management and implementation. Cost estimates for this additional support can be provided upon request.

For comparative purposes, we have provided our hourly Fee Schedule below. As far as other rates that BRS uses for our other New Jersey municipalities, the rates listed below are the same rates that are charged to all other BRS municipal clients.
