

**RESOLUTION OF MEMORIALIZATION OF THE LITTLE EGG HARBOR
TOWNSHIP BOARD OF ADJUSTMENT**

**RESOLUTION NO.: 2018-19
VARIANCE APPLICATION NO.: 2018-12**

RE: ESPOSITO, CONCIGLIA
Block 325.42, LOT 5
109 South Longboat Drive
Application for bulk variance

WHEREAS, CONCIGLIA ESPOSITIO, whose mailing address is 109 South Longboat Drive, Little Egg Harbor, New Jersey 08087, has applied for relief pursuant to N.J.S.A. 40:55D-70(c) affecting premises located at Block 325.42, Lot 5, as shown on the Tax Map of the Township of Little Egg Harbor and otherwise known as 109 South Longboat Drive, Little Egg Harbor, New Jersey; and

WHEREAS, a public hearing was held on said application on October 10, 2018, in the Municipal Building of the Township of Little Egg Harbor and testimony was presented on behalf of the applicant and all interested parties having been heard; and

WHEREAS, said Board having considered said application and testimony of the applicant, makes the following findings:

1. The application is deemed complete pursuant to the applicable provisions of the Little Egg Harbor Township Zoning Ordinance.

2. The property in question is located along the southeast side of South Longboat Drive, approximately 201 ft south of Staysail Drive, in the Mystic Island area of the Township. The property is located within the R-50 Residential Zone. The Applicant has constructed a new

home on pilings in order to meet the new higher flood elevation requirements. The submitted plans include a raised rear yard deck. The deck is included in the building footprint because it is greater than 18" above grade. The applicant requires the following variance:

a. **Minimum Rear Yard Setback to Bulkhead Principal (§15-14F(1)(c))**: where 15 FT is required and 14.3 FT is proposed.

3. The Applicant testified that there would be no detriment to the surrounding community by the granting of this variance relief which would, in applicant's opinion, constitute a benefit to the neighborhood without being inconsistent with the zone plan and zoning ordinances.

4. Dave Burns, Edward Basch and Frank Menshel, neighbors, testified that they had concerns about their view of the lagoon. The portion of the house that is enclosed and of concern was 15 FT from the bulkhead and within the guidelines of (§15-14F(1)(c)).

5. Based upon the foregoing evidence, the Board makes the following findings:

A. The applicant has demonstrated that the requested variance relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the zone plan or Zoning Ordinances of the Township of Little Egg Harbor.

NOW, THEREFORE, BE IT RESOLVED, by the said Board that on this 10th day of October, 2018, based upon the findings herein above stated, the application is hereby granted subject to the following conditions, together with all stipulations of the applicant:

1. The applicant shall strictly adhere to the representations, plans and exhibits

submitted with regard to the proposed development of the subject property and should further comply in all respects with the technical review letter as prepared by the Little Egg Harbor Township Zoning Board of Adjustment Engineer dated September 13, 2018, a copy of which is annexed hereto and made a part hereof.

2. Applicant is specifically granted the following variance:

a. Minimum Rear Yard Setback to Bulkhead Principal (§15-14F(1)(c)): where 15 FT is required and 14.3 FT is proposed.

3. Applicant testified that the grade of the property is not being changed in any way that might cause additional run-off from the property onto neighboring properties.

4. Applicant shall comply with RSIS standards with respect to off-street parking

5. Applicant shall, with respect to the use for the space underneath the home, utilize same for storage and/or garage, with no occupancy permitted.

6. The applicant shall further reimburse the Little Egg Harbor Township Zoning Board of Adjustment for all professional fees expended with regard to this application within thirty (30) days from the date of memorialization of this Resolution or any approvals granted herein shall automatically become null and void.

7. The applicant shall further secure any and all other necessary applications, permits or approvals and post any surety bonds that may be required by any other governmental agency.

8. The applicant shall resubmit this entire proposal should there be any substantial

deviation from this Resolution or the submitted plans, documents, or oral representations made by this applicant.
