2018  
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.  
If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- ☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.  
Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)
- ☐ \_\_\_\_\_ years. (Exceeding minimum time period)
- ☐ Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

1

**NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The following sheets include Capital Improvement Program planning. The funding for these prospective projects has not been authorized. This should be used as guide to current and future needs. Funding will only take place after the governing body approves a current year budget that includes the appropriations required or when the governing body passes a Bond Ordinance with said improvements included. The estimating of actual costs is not to be deemed a final cost. Proper NJ Public Contracts Laws will be following with all spending. Capital Improvement Fund expenditures in the current and future budgets would be required to cover the 5% down payment when borrowing money.
