1. The applicant has a proprietary interest in the subject property.
2. The applicant has requested approval in accordance with the Ordinances of the Township of Little Egg Harbor.
3. The public hearing on the application was held on May 5, 2022, at which time the applicant was represented by Julia Hahn Esq.

8. Remington & Vernick Engineers, the Board engineers, prepared a report to the Board dated March 29, 2022.

The Board hereby adopts the findings in the reports and incorporates them in this Resolution by reference.

9. The applicant presented the testimony of its engineering expert, Matthew Sharo, PE, PP, who testified as to the lot reconfiguration and the proposed location of the proposed propane tank kiosk. The proposed kiosk will be ancillary to the existing WaWa store to offer customers propane tanks by an automated Kiosk machine. No additional impervious coverage is proposed, but rather the location of the tank will be on concrete sidewalk space. Security cameras for the outside of the store already exist, and the adjacent gas filling station area is manned 24/7. No additional signage is proposed at the WaWa store. No propane tanks will be allowed inside the WaWa store. The applicant agreed to file revised plans, showing the bearings and distances of the kiosk from the existing property lines. The Board agreed to waive the required of a topographical survey, since there is no change proposed to the topography, and the kiosk will be located on an existing concrete surface. The testimony elicited supported the applicant's contention that the proposed amended site plan is in keeping with the area and neighborhood and that the granting of the application would in no way be detrimental to the public good.

The Little Egg Harbor Township Planning Board concurs with these representations and so finds.

**WHEREAS**, the Planning Board has determined that the applicant should be granted the requested relief for the following reasons:

1. The proposed site plan amendment will pose no danger to the surrounding area.
2. The granting of the application will not have a substantial detriment to the public good and will not substantially impair the intent and purpose of the Zone Plan, Master Plan, and/or Zoning Ordinances of the Township of Little Egg Harbor.
3. The positive criteria outweigh the negative, if any.
4. There was no public comment at the hearing.
5. The safety and well being of the immediate area will not be adversely affected by the proposed development.
