OMNIA[®]

PARTNERS

OMNIA Partners is the largest and most trusted cooperative purchasing organization for public sector procurement. We have brought together the nation’s two leading cooperative purchasing organizations – National IPA and U.S. Communities – under one roof to form OMNIA Partners, Public Sector. The collective buying power of these unified purchasing cooperatives delivers superior value and savings for public agencies nationwide.

OMNIA Partners, Public Sector is the most experienced cooperative purchasing organization for state and local government, K-12 education, colleges and universities.

Use of Cooperative Contracts reduces the cost of goods and services by aggregating the purchasing power of public agencies nationwide. Our participants have access to the largest portfolio of competitively solicited and publicly-awarded contracts with best-in-class national suppliers.

All contracts are awarded by a government entity utilizing industry best practices, processes and procedures. We adhere to the highest standards of procurement so you can feel secure knowing that you are in full compliance with industry regulations.

Omnia’s team of certified public procurement professionals and cooperative purchasing experts is committed to bringing value to you and your government agency. We act as your advocates to leverage cooperative purchasing as a strategic part of your procurement strategy so you can drive efficiency, effectiveness and real savings within your agency or organization.

OMNIA Partners saves you time and money. Participating in the cooperative buying power of more than 234,000 entities helps you do more with less by reducing product and administrative costs. We are the largest and fastest-growing organization in public procurement, creating maximum purchasing power and resources for our participants.

OMNIA Partners, Public Sector participation has tripled over the past eight years. We continue to put the people, processes and solutions in place to support the needs of public agencies and educational institutions nationwide.
