The NJDEP, in its sole discretion, may expressly authorize, in writing, a waiver of any or all of the requirements of this provision based upon its determination that long term operability of the Environmental Infrastructure System is no longer viable. In the event that the repayment obligation set forth in this Note is received by the I-Bank later than the Maturity Date or the Payment Date, as the case may be, a late fee shall be payable to the I-Bank in an amount equal to the greater of twelve percent (12%) per annum or

the prime rate as published in the Wall Street Journal on the Maturity Date or the Payment Date, as the case may be, plus one half of one percent per annum on such late payment from the Maturity Date or the Payment Date, as the case may be, to the date it is actually paid; provided, however, that any late payment charges incurred hereunder shall not exceed the maximum interest rate permitted by law.

(d) Notwithstanding the provisions of this Note to the contrary with respect to the funding, pursuant to Section 4(a) hereof, of any Loan Disbursement Requisition relating to all or any portion of the Project, the Borrower hereby acknowledges and agrees, as follows:

- (i) the I-Bank shall not, and shall not be required to, commit funds, pursuant to the Water Bank Construction Financing Program of the I-Bank, to any portion of the Project until such time as the particular portion of the Project in question has been certified for funding by the NJDEP;
- (ii) no Loan Disbursement Requisition shall be approved by the I-Bank for disbursement pursuant to Section 4(a) hereof unless and until the portion of the Project to which such Loan Disbursement Requisition relates has been certified for funding by the NJDEP;
- (iii) the I-Bank has no obligation pursuant to this Note to make all or any portion of any Loan Disbursement Requisition disbursement pursuant to the provisions of Section 4(a) hereof if the Borrower lacks the authority to pay interest on this Note in an amount equal to the Interest Rate; and
- (iv) the I-Bank has no obligation pursuant to this Note to make all or any portion of any Loan Disbursement Requisition disbursement pursuant to the provisions of Section 4(a) hereof if the Borrower has failed to comply with Section 3(i) hereof.

SECTION 5. Unconditional Obligations. The direct, general obligation of the Borrower to make the Loan repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner whatsoever while any Loan repayments, or any other payments due hereunder, remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the I-Bank to perform and observe any agreement or any duty, liability or obligation arising out of this Note, or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might have against the I-Bank or any other party; provided, however, that payments hereunder shall not constitute a waiver of any such rights.

SECTION 6. Events of Default. The occurrence of any of the following events shall constitute an "Event of Default" hereunder: (i) failure by the Borrower to pay, when due, any and all of its Loan repayment obligations hereunder, and any other payment obligations due hereunder; (ii) failure by the Borrower to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed pursuant to the terms of this Note; (iii) any representation made by the Borrower contained in this Note or in any instrument furnished in compliance with or with reference to this Note is false or misleading in any material respect; (iv) the occurrence of an "Event of Default" pursuant to, and as defined in, (1) a loan agreement pursuant to which a long-term loan (that remains outstanding) has been made to the Borrower by either the I-Bank or the NJDEP, or (2) a note obligation (other than this Note) pursuant to which a short-term loan (that remains outstanding) has been made to the Borrower by the I-Bank, and (v) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Note or thereafter enacted, unless in the case of any such petition filed against the Borrower such petition shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal, or the Borrower shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors, or a custodian of the Borrower or any of its property shall be appointed by court order or take possession of the Borrower or its property or assets if such order remains in effect or such possession continues for more than thirty (30) days, or the Borrower shall generally fail to pay its debts as such debts become due.

SECTION 7. Remedies upon Event of Default. Whenever an Event of Default shall have occurred and be continuing pursuant to the terms hereof, the Borrower hereby acknowledges and agrees to the rights of the I-Bank to take any action permitted or required at law or in equity to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Borrower hereunder. If an Event of Default shall have occurred, the Borrower hereby acknowledges and agrees that the I-Bank shall have the right to (i) immediately cease disbursements of the proceeds of the Loan, and/or (ii) declare all Loan repayments and all other amounts due hereunder to be due and payable immediately without further notice or demand. The Borrower hereby acknowledges and agrees that no remedy herein is intended to be exclusive, and every remedy shall be cumulative and in addition to every other remedy given under this Note or now or hereafter existing at law or in equity. The Borrower hereby further acknowledges and agrees that no delay or omission by the I-Bank to exercise any remedy or right accruing upon any Event of Default shall impair any such remedy or right or shall be construed to be a waiver thereof, but any such remedy or right may be exercised as often as may be deemed expedient. The Borrower hereby further acknowledges and agrees that, pursuant to the I-Bank's Credit Policy, during such time as an Event of Default has occurred and is continuing hereunder, the Borrower shall be ineligible for additional financial assistance from the I-Bank (including, without limitation, long-term financing through the Anticipated Financing Program), in addition to certain other consequences set forth in the Credit Policy. The Borrower hereby agrees that upon demand it shall pay to the I-Bank the reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of in-house counsel and legal staff) incurred in the collection of Loan repayments or any sum due hereunder or in the enforcement of the observation or performance of any obligations or agreements of the Borrower upon an Event of Default. Any moneys collected

by the I-Bank pursuant to this Section 7 shall be applied first to pay any attorneys' fees or other fees and expenses owed by the Borrower.

SECTION 8. Certain Miscellaneous Provisions.
