## Trash & Recycling Can Policy

- Please be advised that Trash and Recycling containers that are lost or stolen will not be replaced by the Township.
- If a Trash or Recycling container is damaged by the collection vehicle during pickup, the Township may consider replacement under limited circumstances, depending on the age of the container. To determine whether the container remains covered under the **manufacturer's warranty**, please contact the Department of Public Works at **(609) 296-3600**.
- If a wheel becomes detached from a container, residents are encouraged to contact the Department of Public Works at **(609) 296-3600** to request a wheel replacement.
- Containers will not be replaced due to a broken lid, as lids are not required for collection service.
- Any damage resulting from resident negligence, misuse, or abuse will be the responsibility of the homeowner to replace.
- For new construction homes built on previously vacant land with no prior residence, the Township will provide one **(1) Trash container** and one **(1) Recycling container** at no cost to the homeowner.
- A maximum of three **(3) Trash containers** and **three (3) Recycling containers** is permitted per residence.

### Container Placement Requirements

Containers must be placed curbside before 6:00 a.m. on collection day and must:

- Be free from obstructions
- Be spaced at least three (3) feet apart
- If containers are placed too close together or too close to an obstruction, the Township has no obligation to return for collection until the next regularly scheduled Trash or Recycling day.
