REQUEST FOR RELEASE OF PERFORMANCE GUARANTEE - ON-SITE
DAVID DEFE0 - A PLUS INSULATION
1399 ROUTE 539 - BLOCK 124 LOT 2
TOWNSHIP OF LITTLE EGG HARBOR, OCEAN COUNTY, NJ

Dear Ms. Lettera:

Our office has received a request from the developer for Release of the Performance Guarantee for the above-referenced project. The subject site is located on the east side of Route 539 and was approved by the Planning Board for contractor's office and warehouse. A review of our files indicates that A Plus Insulation posted a Performance Guarantee in the amount of \$8,640.00 with the Township Clerk's Office to assure the complete installation of on-site landscaping improvements not complete at the time of issuance of a TCO.

The Performance Guarantee consists of a cash bond in the amount of \$8,640.00.

At the request of the developer, this office has conducted construction observation of site improvements to ascertain the status of the completed improvements covered by the bond. It is our determination that all bonded improvements have been completed in substantial compliance with the Board approvals.

In accordance with the Municipal Land Use Law and the Township Ordinance, the governing body must either approve, partially approve or reject the improvements on the basis of the report of the Township Engineer. Accordingly, it is our recommendation to the Township Committee that the request for Release of the Performance Bond be granted.

The Mayor and Township Committee must act on the applicant's request for Release of the Performance Bond no later than 45 days after receipt of the notice and must notify the applicant of their decision in writing by certified mail. By copy of this letter to Melanie Szuba, Township Attorney, we recommend that she prepare a resolution suitable for adoption by the Mayor and Committee at its next regular meeting.

A maintenance bond shall not be required as all improvements covered by the bond were private, on-site improvements.

In addition, and prior to Release of any Performance Guarantee, the applicant/developer shall reimburse the Township for the costs of any outstanding construction inspection fees. The Township will be in receipt of all of our final invoices on this project with our next month's billing.

Should the Committee have any questions regarding any of the above, please feel free to contact me at your convenience.
